absolutely beautiful, and worth the price just for meditating on the images alone. As a readers deck however for me the connection has been absolutely magical. The Deck is in Melanie's own words inspired by the Sacred Feminine. If you like me, have found more traditional and patriarchal style decks flat and more difficult to connect too as a reader, I strongly suggest this desk. By replacing the Knights with the Princesses and the Pages by the Princes Melanie has given her readers a nicely Gender Balanced Deck. Now some reviewers have that backwards. However in every suit the visual images are clear. The Princess is clearly the older and stronger character. Some reviewers seem to have had a negative response to the deck. The imagery will challenge your preconceptions about what to expect from a Waite Child deck. This can be unsettling at moments, but I find so much to read/learn from the images. The accompanying book has pretty conventional descriptions of the cards, which the cards themselves often transcend. I love the deck, the cards tell their own story if you let them and I believe that is the best approach with this deck, to do a daily 3 card reading and slowly let the beautiful images and their carefully crafted symbolism sink into your awareness. Some of the Images repeat themselves. The character we meet as the Fool appears in 3 of the Wands cards. The Hermit and the 2 of Wands also share visual echoes. Given the Artists obvious creativity I believe she is trying to draw the readers attention to the connections and undercurrents between various cards. 1 of 1 people found the following review helpful. Great for the Major Arcana By Vicki M Burr This publication is REALLY great for the Major Arcana but lacking in the Minor Arcana. But, the info for the major is fantastic. I highly recommend this book regardless if your are a beginner or a seasoned card reader. I am a beginner and I use multiple books to read cards for myself. HIGHLY RECOMMEND!!! 2 of 3 people found the following review helpful. Three Stars By Rodrigo Lugos. Beautiful but confused..
