Fraser Simpson : The Globe and Mail Cryptic Crosswords, Volume 1 (Other) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Globe and Mail Cryptic Crosswords, Volume 1 (Other):

0 of 0 people found the following review helpful. Excellent Guide to Cryptics By Dr Jack L Edwards I bought this book quite a few years ago and misplaced it. I was delighted to find it still in print and available so I scooped it up! 0 of 0 people found the following review helpful. A great book for anyone who likes fun, solvable cryptics By A Customer This book begins with a solving guide that really lays out the techniques for cryptic crossword solving. A brief discussion of a type of clue is immediately followed by a short puzzle featuring the type of clue just discussed as well as those already covered. It allows you to build on and practice solving skills. The book features lots of good standard cryptics plus some fun variety puzzles at the end. Clues are generally difficult, but not as impossible as some cryptics I've tried to solve! Anyone who enjoys cryptics will love this book. I have only one complaint. Where's the

sequel?

From The Globe and Mail, here are Fraser Simpson's craftily constructed cryptic crosswords, eagerly awaited each Saturday morning by puzzlers from Vancouver to Halifax. Also Included Are Two Bonuses:-- A detailed Beginner's Guide, which unlocks the secrets of solving cryptic crosswords-- A giant cryptic puzzle, originally published as a contest for Globe and Mail readers
