following review helpful. Interesting
By D. L. English
This book fully describes an event that rocked the bridge world with pictures and commentaries on a cheating scandal that destroyed the careers of two great bridge players.
0 of 4 people found the following review helpful. Items came as advertised and I am very satisfied with them
By Verryl F.
Items came as advertised and I am very satisfied with them. The rest of this is added to satisfy 's inane length requirement, which I am too busy to fulfill.

In 1965, the bridge world was rocked by an accusation of cheating at the world championships in Buenos Aires. The pair involved were Britain's Terence Reese and Boris Schapiro, two of the world's best players. Now, almost fifty years later, the true inside story can be told - the investigation, the accusation, and the very different results of the World Bridge Federation and British Bridge League inquiries.

About the Author
Alan Truscott, Bridge Editor of the New York Times since 1964, probably knows more than anyone else about the complex world of international bridge. Revised and updated, this new edition of 'The Great Bridge Scandal' tells the full inside story of the Buenos Aires affair, in which Truscott himself played a central role.
