George Speaight : The History of the English Puppet Theatre before purchasing it in order to gage whether or not it would be worth my time, and all praised The History of the English Puppet Theatre:

5 of 5 people found the following review helpful. The title of the book quoted by Booknews Inc. is wrong.By A CustomerGeorge Speaight wrote several books. Among them were:THE HISTORY OF THE ENGLISH PUPPET THEATER. Another one: THE HISTORY OF THE ENGLISH TOY THEATER. Somehow, the reviewer mixed the wrong title with the wrong book. However, both books are excellent resources for their subject matter, interesting and highly informative.Anyone wanting to research either of these subjects areas should read them.They are the bibles in their field. Highly indexed- with extensive bibliographies and fine historical illustrations and photographs they are first rate books.
