Vaclav Havel : The Increased Difficulty of Concentration (Havel Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Increased Difficulty of Concentration (Havel Collection):

The Increased Difficulty of Concentration is a metaphysical farce, written by dissident Czechoslovak playwright (and

future president) Vclav Havel. Hummel, an academic, juggles lovers, philosophy, and the questions from a strange machine called Pazuk, while trying to make sense of his life. A previously unpublished translation by tpn imek. Part of the Havel Collection, a series of new translations of the work of Vclav Havel, from Theater 61 Press.
