**Don Voorhees : The Incredible Book of Useless Information: Even More Pointlessly Unnecessary Knowledge**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Incredible Book of Useless Information: Even More Pointlessly Unnecessary Knowledge:

1 of 1 people found the following review helpful. Good clean, silly fun. Loved it.By TriCruiser2000This series of books is just too much silly fun but along with the silly are some facts about singers and actors and critters and the bottom line is I just can't put it down. Good fun1 of 1 people found the following review helpful. Lives up to its name.By Seattle ReaderLives up to its name perfectly. Not one piece of information has any use whatsoever, but at the same time is fascinating. Makes a person want to find an occasion when it is useful, or figure out how to bring it up in conversation. This book is a waste of time, and a "must read". Enjoyable!0 of 0 people found the following review helpful. Five StarsBy Dean VilhauerComforting, relaxing reading

The #1 New York Times bestselling series continues to delight and astound with an all-new collection of surprisingly unnecessary facts and figures. Would it surprise you to learn it takes a sloth about a month to digest a meal?more tourists visit France than any other nation in the world? the United States still has debt from the Revolutionary War? Do you think you ever need to knowwhat type of trees are most frequently struck by lightning? how much a clerk was paid for penning the U.S. Constitution? which celebrity uses the pseudonym Slappy White?

About the AuthorDon Voorhees is the author of The Incredible Book of Useless Information, The Super Book of Useless Information, The Indispensable Book of Useless Information, The Perfectly Useless Book of Useless Information, The Essential Book of Useless Information, and Disgusting Things: A Miscellany. A native of Morris County, New Jersey, he now lives in Pennsylvania.
