John McCormick : The Italian Puppet Theater: A History before purchasing it in order to gage whether or not it would be worth my time, and all praised The Italian Puppet Theater: A History:

0 of 1 people found the following review helpful. Five StarsBy S.H. M.Great Book! thanks!2 of 5 people found the following review helpful. Must have in puppetry book collectionsBy Nancy L. StaubA comprehensive, thoroughly researched book in English about the history of Italian puppetry. Must have in every puppetry book collection.

This is the first full-length, English language study of Italian puppetry. Chapters describe Italy's rich puppet theater tradition through the end of the eighteenth century; the golden age of glove puppets, marionettes and pupi; commedia

dell'arte and the puppet stage; the evolution of repertoires; music and spectacle; and changes during the twentieth century. Concluding chapters offer in-depth studies of two marionette companies, Turin's Lupi and Catania's Fratelli Napoli. Rich in photographs, the book includes 28 color plates.

About the Author John McCormick, a retired University lecturer and active puppeteer, has brought puppet productions to the United Kingdom, Morocco, Belgium, Pakistan, Portugal, and Slovenia. He currently serves as president of the Irish chapter of the international puppetry association Union Internationale de la Marionette (UNIMA). Alfonso Cipolla is a theater critic and an instructor at the University of Turin. Alessandro Napoli teaches Italian literature and is a board member of the International Puppet Museum in Palermo.
