I intend to tear one apart so that I can hang the images all over my office wall for inspiration. I collect fashion and photography books. This is one of the most exquisite books I own. Beautiful images, beautiful design, a work of art by a woman whose work is art. 10 of 13 people found the following review helpful. GREAT: THE BOOK OF THE SEASON By Booklover This book is fantastic! Better than Tom Ford's book. Filled with the most beautiful images from her advertising campaign. Beware that the slipcover is very sensitive and damages easily! Wow, i love this book! 0 of 13 people found the following review helpful. haven't recieved By William H.
