JohnsonI gave this rating because this guide is very helpful while playing the "Legend of Dragoon" game. After all these years it was a pleasant surprise to be able to acquire a copy. It is in excellent condition and was shipped adequately(no damage occurred during shipping. I hesitated to make this purchase because it was pricey, especially for a paperback. However, it was a gift and the look on the recipients face and usage were worth the price.0 of 0 people found the following review helpful.
