My 2nd favorite Zelda game of all timeBy Rapunzel SmithMy 2nd favorite Zelda game, coming in Only after the original Legend of Zelda circa 1986. Link is no longer pixelated, and the whole game was so The new and cutting edge it quickly became MINE. My son has memories of getting up around 4am only to find me sitting on the floor, playing this between work life. The guide is nice, although certainly not necessary for any real Zelda lover. Great fun, pre- Ocarina of Time but in a class all by itself. Super NES, you gotta love it!0 of 0 people found the following review helpful.
