This guide tells everything from precise locations with screenshots and in steps of completing the objective you are seeking. Very explanatory and easy to follow. All color and very well laid out.0 of 0 people found the following review helpful. Five StarsBy Steve SynowkaLoved these guides content.0 of 0 people found the following review helpful. I just love this bookBy SuicuneI just love this book! It has very detailed descriptions on where to find the masks and is just so incredibly helpful!

Wrought full of colorful creatures, parallel dimensions and multiple journeys, The Legend of Zelda: Majoras Mask is an incredibly awesome RPG from a strong and proven franchise. Versus Books The Legend of Zelda: Majoras Mask Official Perfect Guide is the definitive resource for anyone who wants to get through the game successfully, and on their own terms. Rather than provide gamers with only one path to get through the game, Versus Books allows for all available options to be explored by offering "choose your own adventure-style navigation" throughout. Versus Books offers incredible, in-depth maps, dazzling graphics and complete game details. Hidden pathways and treasure locations are revealed along with "How To" strategies for using multiple masks for the best results.
