Casey Loe, Gerald Guess : The Legend of Zelda : Ocarina of Time Perfect Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Legend of Zelda : Ocarina of Time Perfect Guide:

0 of 0 people found the following review helpful. so finding one in mint or good condition is hardBy CCornsAs a personal note, just be aware that these are original guides, so finding one in mint or good condition is hard. This is a classic product and gives instructions based on Nintendo 64, however the premises for the battles are still the same as well as item locations. I recommend this guide as the artwork is more tasteful and classy compared to the modern guides.0 of 0 people found the following review helpful. Five StarsBy bobJust like the original!0 of 0 people found the following review helpful. By Far The Best Ocarina of Time Guide Available!By Police350I have been using this Zelda Ocarina Of Time Guide since the day the game was released for the N64 in 1998. This guide will help you 100% complete the game! It is easy to follow and tells you how to locate every item,upgrade,heart piece,etc...It even helps you complete the new 3DS version 100% as well.(Except for the Master Quest,which did not exist back when

this guide was written).Over the years my copy has gotten torn and beat up. That is why I was glad to find another copy in good condition, and at a reasonable price to add to my ever growing Legend of Zelda collection. This guide is the "Collector's Edition", so get it while you can at a low price! Don't believe me? Go to Ebay and search for this same guide and see how much people are paying for it over there! Thanks ! :-)

The Legend of Zelda Ocarina of Time. Get ready to master Nintendo's most epic adventure ever! Versus Books has created the most in-depth guide possible, complete with dozens of exclusive, full-color maps. We've included Every Item, Weapon, and Heart Piece, plus all 100 Gold Skulltulas, all 10 Big Poes, all 4 Bottles, all 13 Ocarina Songs, all the Masks, and the Biggoron Sword. You'll also get tactics to defeat every enemy and boss. Written by Casey Loe, author of the best-selling Versus Books Final Fantasy VII, Resident Evil 2, and Metal Gear Solid guides.
