John Donaldson, Nikolay Minev : The Life Games of Akiva Rubinstein: Volume 2: The Later Years before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life Games of Akiva Rubinstein: Volume 2: The Later Years:

2 of 2 people found the following review helpful. Best books on Rubinstein. Masterful.By T. KalarisThe two volume set from Donaldson Minev are hands down the best works on Rubinstein, period. Very clear analysis. The authors are able to convey an understand of Rubinstein's play, his deep understanding of the game. Two great chess authors.10 of

23 people found the following review helpful. Donaldson Minev By Erik D. Osborn The authors, John Donaldson and Nikolai Minev, have collected the most Rubinstein games ever within this two volume masterpiece. Where known, annotations of the games from many sources have been compiled. Both volumes are in second, augmented editions. Akiva Rubinstein was one of the greatest chess grandmasters who never got a shot at the world title. His best games are considered the highest form of chess art, and should be carefully studied by every aspiring chess player. The seller, Ed Labate, carries some of the best chess books available. He delivers them in excellent packaging designed to give you a flawless copy. Furthermore, his prices are right! Keep that in mind as you view his web site.

The Great Rubinstein Volume Two Akiva Rubinstein occupies a unique position in chess history. One of the greatest artists ever to sit down at a chessboard, Rubinstein was also the strongest player never to get an opportunity to play for the title of World Champion. This greatly enlarged second edition chronicles the second half (1921-1961) of the Polish grandmaster's life. Dozens of archival photographs, photographs and approximately 40% more material finish off this splendid work, completing the journey begun in volume 1.

About the Author International Master John Donaldson is one of America's most popular chess authors. His widely acclaimed works include *Legend on the Road*, and, with Nikolay Minev, *The Life Games of Akiva Rubinstein, Volume 1: Uncrowned King*. International Master and three-time champion of Bulgaria Nikolay Minev is well-known for his books and articles on tactics. He also authored the popular *A Practical Guide to Rook Endings*, as well as, with John Donaldson, *The Life Games of Akiva Rubinstein, Volume 1: Uncrowned King*.
