0 of 0 people found the following review helpful. little book of Backgammon tipsBy Bruce WolfThis book is very basic, but helpful for a novice like me. It gives several quick tips to help getting started in the game. I quickly found it useful. It is not for people with much experience in the game.0 of 0 people found the following review helpful. Not worth the moneyBy N.L.R.I was sorry I made the purchase when I read it. The information is lacking. Save your money for a quality product.

This guide shows how a simple understanding of the dice-throw can improve your every move. There's advice on opening throws, how (and when) to block and run, hitting and being hit, bearing off, back games, using the doubling cube, and lots more. You're odds-on to double and redouble your success with this Little Book on board.

About the AuthorChris Jones is an accomplished backgammon player who has been enjoying the game for more than 30 years.
