Leah Nanako Winkler : The Lowest Form of Writing before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lowest Form of Writing:

1 of 1 people found the following review helpful. On My Must_Read ListBy IMHOI attended a staged reading of Leah Nanako Winkler's work in New York a few years ago, and was blown away. Can't wait to read this book!

A collection of short plays written by playwright Leah Nanako Winkler between 2014-2015 that were performed in

NYC. Dark, comedic themes range from Modern love and heart break, bros having a bro night while bonding over Star Wars, craigslist advertisements come to life, a double date skewering into the weird when a food fetish is revealed and more. Great for acting and directing students looking for funny, contemporary material. Lots of monologues.
