(The Blokehead Success

Series):

The reason why many players have grown to love playing Minecraft with cheats enabled is because they want to unlock different achievements which can be difficult to do. Minecraft can seem like a vast Lego land, it is also a place where your character can die. Your character can die in many ways it can drown, fall to it's death, catch on fire or be attacked by different hostile mobs. Due to this, the Minecraft world can be dangerous for your character. You can also just stick to the creative mode where the risks are less but can be less entertaining. This book aims to level your playing field or allow you dominate your world by building huge structures or creating stores of resources. Minecraft is a world where you should craft and you can't keep doing that if your character is dead!
