Jonathan Bloom : The Must Have 2015 Sudoku Puzzle Book: 365 puzzle daily sudoku to challenge you every day of the year. 365 Sudoku Puzzles - 5 difficulty levels (easy to hard) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Must Have 2015 Sudoku Puzzle Book: 365 puzzle daily sudoku to challenge you every day of the year. 365 Sudoku Puzzles - 5 difficulty levels (easy to hard):

14 of 14 people found the following review helpful. Easy to read, large print, challenging puzzles - highly recommend! By AuntieK3 Bought this as a gift. Gave same person the 2014 version last year and he just loved it. For a 65+ yo retired man who likes to keep his brain in shape. Large puzzles, two per page, with large blocks to write in hints and solutions. Answers in the back of the book. Bold type easy to read. Highly recommend! 8 of 8 people found the following review helpful. Outnumbered by 30 others... By Minnesotan Though all other reviewers to date have posted five stars for this book, I've unfortunately found it to be "frustrating." Rather than progressing from easy to deadly (easy-moderate-nasty-cruel-deadly) through the year, as I'd erroneously anticipated, the puzzle levels are scattered. And though I thought I could tackle this book (as I typically work 6-12 intermediates a day), even some of the easy ones are just not so (easy). 6 of 6 people found the following review helpful. Excellent for older sudoku lover! By TJ Gave as a gift to a Suduko lover in his '80s. Text is brilliant and large, very easy to work with diminished eyesight. Book size is perfect- big enough to lay flat(ish) and work with, light and small enough to carry around. Lots of puzzles here, and he said they have been a good challenge for him. Hope he keeps living and they keep publishing so my successful gift-giving in 2016 is just as simple!

The Must Have Sudoku Puzzle Book for 2015 is an all new collection of 365 puzzles. Each day of the year has a puzzle with a different level of difficulty - ensuring a daily dose of challenging mental gymnastics. ALWAYS in Stock on Amazon - A new sudoku puzzle for each day of the year - 5 levels of difficulty (easy, moderate, nasty, cruel and deadly) - Date and difficulty printed above every puzzle - Only 2 large print puzzles per page, with lots of white space for notes - full solutions at back of the book for every puzzle - bold numbers for original clues in the solution section. The buysudokubooks.com Guarantee One often finds sudoku books with puzzles that have multiple solutions. This can waste a lot of time and drain a fair amount of ones sanity when it comes to solving sudoku puzzles. Every puzzle in this sudoku puzzle book has been carefully checked to ensure that each puzzle has only 1 possible solution. The puzzles in this book will not appear in any of the the other www.buysudokubooks.com titles

About the Author I was born in South Africa in 1973. I studied a variety of courses at university including science, business and jewelry design. My first job was in the jewelry industry. Soon after getting married in 1996, I moved from employee to employer and started my own internet/web design company. I sold my company a few years later and stayed in the internet industry for a number of years. I was fortunate to gain experience in many areas, from design, branding and marketing to sales, e-commerce, gaming printing. As an untreated puzzles 'addict', I spend many hours thriving in the challenge of solving complicated sudoku puzzles. Sudokus' distinct advantage over other mathematical games/puzzles is its reliance on using logical reasoning and deduction to solve numeracy puzzles, without requiring mathematical calculations. I love spending time with my kids having fun and learning together, So I combined this with my puzzle addiction to create Sudokids and over 15 other buysudokubooks.com titles.
