Jeannette Armstrong : The Native Creative Process: A Collaborative Discourse before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Native Creative Process: A Collaborative Discourse:

1 of 1 people found the following review helpful. An Exploration of the Heart of Indigenous Cultures By Patrick J. Twohy A profound understanding of the depth of First Nations Lifeways. Not only is the heart of the author's respective cultures expressed but also the heart of genuine creative process. These words must be read in a slow, meditative way over a long period of time.

In this work, Jeannette C. Armstrong and Douglas Cardinal share their visions and insights into creativity from the perspectives of their Native ancestries. This book exposes the intricate processes behind the Native worldview as interpreted by two highly creative and talented artists whose art is an expression of their identities as Aboriginal people.
