Among the best published puzzle booksBy bachpianohackAmong the best published puzzle books. Unlike older crossword puzzles, these anacrostics are not topical, so they are just as good as ever. Format is also nice.4 of 4 people found the following review helpful. hours of enjoymentBy suzEndless hours of learning enjoyment. Full of various topics including history, science, vocabulary, etc. Answers are in the back of the book. However, I try not to use them. are today.
