CohenI just finished a book of 75 Sunday Times Crosswords, so I purchased this book of 150 puzzles, along with another book of 75 ("Sleepy Sunday"). After completing the first puzzle in the book, I realized that a good number of the puzzles are the very SAME ones that appear in the books of 75. Bad form, NY Times! Your older spiral-bound books never duplicated puzzles, and - do let folks know this in your description of this item...nothing worse than a new book of crosswords that you've already done!0 of 0 people found the following review helpful.
