At 88, Pleased I Can Do Them!By Andy San DiegoCrosswords never caught on with me, but recently I explored nytimes.com, our internet home page, and got to the crosswords. They are presented in a terrific format, but I couldn't save what I'd done to come back to later. So I went to mother, , and found this book. I agree with the other comments (except the puzzles are just the right degree of difficulty for me). It would be nice if the book were spiral bound and a larger book size, but It's ok.I've completed the first three puzzles and had a lot of fun doing them, then ordered books for two friends.Many of the words are fun surprises, sometimes two and more word answers, although I have to work around the band leaders, singers. Good there are not a lot of arcane (showing off) words known only to experienced puzzlers. It even kept me awake until ten last night.I'm going to patent an eraser on a string (continually losing it in bed and chair) and make millions, and get our cat her own eraser.0 of 0 people found the following review helpful. Perfect beginning for my day.By Lynn Byrd CpaJust right to begin my day over a cup of coffee. Not too challenging and not too easy. Perfect for leaving the fog of sleep behind and starting my day.10 of 10 people found the following review helpful. small and doesn't open easyBy sheilahThis is a small book. It is hard to keep it open to work on your puzzle. It is hard to write in too because it doesn't open easily.
