The book is the 8.5" x 11" format, so the type is larger and easier to read. Thanks!1 of 2 people found the following review helpful. This is a big bookBy Irene

Hartfield Just in case you didn't notice like I didn't, this is not the small, easy to carry paperback size. It's atlas sized. Good puzzles, though. 2 of 2 people found the following review helpful. GOOD BOOK FOR SELF DEFENSE By Elva H. Thompson Perhaps this is unfair but the book itself is heavy and difficult to manage. Trying to hold the book open with one hand plus write with the other is nigh on to impossible! I try to do a puzzle while eating breakfast so drinking my triple strength coffee and jellying my toast requires a third hand. The massive book is, however, helpful in smacking my 50 lb. bassett when she tries to sneak my bacon. When I come to a puzzle with lil cutsy poo word combinations, I draw a big X through it . I am 80 years old and cannot be bothered with slang younger than 60. Plain, ol' fashion cussin' is OK. if one refrains from using the Lord's name. From now on, I'll only buy crosswords with loose leaf pages. I'm thinking of covering this book with an ugly scarf, my former daughter in law gave me, so it can be used as a dootstop.
