However, I don't -- and therefore if a puzzle (or an individual clue) is repeated in one of the many collections, and if especially some time has gone by, chances are I won't

remember. This is a fun collection and just challenging enough to be very enjoyable. 3 of 4 people found the following review helpful. Repeat puzzles in book By Notanut This is the second NYT Crossword book I've received that had puzzles in it repeated from other NYT puzzle books (which I use daily). This time, the book begins with puzzles from NYT "Spring Fling Crosswords," which I had just completed. I like to relax with the easy and medium puzzles, but this book just makes me MAD! I think Mr. Shortz should state that some of the puzzles also appear in other books. Otherwise, it's a cheat. I love the NYT puzzles, but I don't want to solve them twice, and I certainly don't want to pay for them twice. Boo! Hiss! 0 of 0 people found the following review helpful.
