Well-edited easy crosswordsBy C2017As an aficionado of the New York Times Crosswords and a voracious crossword solver I anxiously awaited delivery of this book. Included you will find the easiest of the Times crosswords but in a somewhat hard to write in book due to the design. Since it is in paperback format and you cannot lay it flat you will have to hold it open to complete each puzzle. I much prefer the format of the Simon and Schuster crossword series and Maura Jacobson's books since they have a spiral binding.The crosswords are interesting and will give you many hours of fun solving.0 of 0 people found the following review helpful. A few sticklers but a good start to getting back in the puzzle game.
