I am simultaneously working through a separate "The New York Times Delightfully Difficult Crosswords: 150 Hard Puzzles" (Saturday) puzzle book, and some of the "Doable" puzzles seem to me on par with the "Difficult" ones, or vice versa -- there is a broader range of

challenge within this book than I had expected. Because of this I have enjoyed it even more than I anticipated. (I was worried it would be too easy.)1 of 1 people found the following review helpful. Five StarsBy L. LonsdaleLove these compilation crossword books. Bought them for my elderly father who runs out of his newspaper crosswords.3 of 3 people found the following review helpful. gave me a headacheBy matt's momI bought this for relaxation and fun. I have done crosswords for over 50 years and this book sucks big time. Very weird answers and very hard to finish puzzles without help from internet etc. I hated it so much I threw it away after just a few puzzles.
