I struggle with crossword puzzles in People and various airline in-flight magazines because of extremely obscure words/clues and popular culture names. I find these puzzles have a consistent level of clues/words. Some of the clues/words are

from 20th century popular culture and literature. I recommend this to my fellow boomers.6 of 6 people found the following review helpful. Much more doable than Favorite Day NYT bookBy porgeMuch more doable than Favorite Day NYT Monday puzzle book. Paper used is easier to erase. Large and floppy so I can spread it out on lap where ever I am.0 of 0 people found the following review helpful. Fun and challenging.By MarleneLouiseNice crossword puzzle book with many, many puzzles. Purchased several of these New York Times books from different years - they have printed a lot of them. Fun and challenging and I will be going for quite a while. I sometimes do as much as I can and then leave the puzzle and go back and finish at a later date. I like to do as much as I can without research.
