**The New York Times : The New York Times Easy Crossword Puzzle Omnibus Volume 6: 200 Solvable Puzzles from the Pages of The New York Times** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New York Times Easy Crossword Puzzle Omnibus Volume 6: 200 Solvable Puzzles from the Pages of The New York Times:

7 of 7 people found the following review helpful. NY Easy is my MediumBy Maggie FI bought this book for my mom who was having a hard time finding "medium" difficulty crossword puzzle books. All the easy books are too easy and the hard too hard. Some of those combination books that went from easy to hard seem to skip the medium difficulty. So I thought I'd give the NY Times Easy books a try. I figured maybe that would be what we considered to be

medium. Sure enough! She loves it! She, my sister, and I absolutely love this book. We bought other volumes and found them to be just the right amount of difficult as well. If you consider the NY Times puzzles way over your head but find the grocery store books too easy, this one will suit you perfectly. 1 of 1 people found the following review helpful. Easy, as advertised, perhaps too much so. By Eric the KI bought this book for my wife who enjoys the New York Times daily crossword puzzles but who finds any puzzle beyond Wednesdays' a little too challenging to be fun. For those not familiar with the NY Times pattern, puzzles start out being very easy on Mondays, growing increasingly harder throughout the week with Saturday's being the most difficult. Sunday's is considered to be about the same as a Thursday-level puzzle. As stated, the puzzles in this book are taken from the Monday and Tuesday editions of the paper. All that said, about half-way through the book, my wife was saying that these were too easy. I guess that the next book we get will be made entirely of Wednesday puzzles. So, four stars for being everything it says it claims to be; minus one for being less than entirely satisfying. 0 of 0 people found the following review helpful. Five Stars. By CustomerLove Will Shortz puzzle books. This one is quite good. Thank you!

Features: \* 200 Monday and Tuesday puzzles, the easiest crosswords published in The New York Times \* Author bylines that allow fans to get to know today's top contributors \* The New York Times and Will Shortz--the #1 name in crosswords.
