Ladychief[[VIDEOID:6a54045590967dbcd59b25c4157566]] I bought this New York Time Puzzle book for my mothers 86th birthday next week. She likes to work crossword puzzles. She works the ones in our local paper. She

says sometimes she can finish them no problem and other times not so much. So, I think these easy ones will be good for her. It helps keep her mind sharp. Also, I like the spiral binding. She can tear them out if she wants to or she can work them in the book. If she get stuck on puzzle she can move on to another one then come back when she is ready to try again. These are large size puzzles so that helps make them easier see. I am sure she will enjoy these crosswords puzzles. If she does then I will buy other volumes for her.3 of 3 people found the following review helpful.
