They recommend it for anyone who likes to do crossword without having to work extremely hard. Great for the elderly who don't feel up to date with current names and events.2 of 2 people found the following review helpful. Five StarsBy Robert J. Thumeexcellent puzzles.....more difficult than "easy".....but very solvable and entertaining2 of 2 people found the following review helpful. SPIRAL SURPRISEBy M. CagneyI don't like the NYT's regular puzzles b/c they're simply

too challenging for me and they totally ruin any pleasure in working them. I don't like to feel like I'm taking a test. The ones in this book were more normal in difficulty w/ just a tad of "scratch your head" mystery which I liked. The bonus was the spiral notebook type binding which allowed me to work each puzzle w/ ease and also offered a firm foundation as well.

*50 of the New York Times easiest Monday edition puzzles.*Covered spiral binding for easy identification in spined-out shelves.*Eye-catching, exciting new cover designs.Second in this successful new series, a collection of 50 of the Times' most-solvable Monday puzzles. Perfect for beginners--or anyone who craves the thrill of the solution with less of the anguish--these puzzles are easier to solve, but tough to resist! Edited by Will Shortz.

"[Will Shortz] is the crossword king."- Steve Kroft, "60 Minutes "The prince of crossword puzzlers."- "Greenwich Magazine "The Riddler's got nothing on Will Shortz."- "Time Out New York "Will Shortz is [the crossword book world's] John Grisham."- Martin ArnoldAbout the AuthorWill Shortz has been the crossword puzzle editor of The New York Times since 1993. He is also the puzzlemaster on NPR's Weekend Edition Sunday and is founder and director of the annual American Crossword Puzzle Tournament. He has edited countless books of crossword puzzles, Sudoku, KenKen, and all manner of brain-busters.
