The New York Times : The New York Times Easy Crossword Puzzles Volume 4: 50 Solvable Puzzles from the Pages of The New York Times before purchasing it in order to gage whether or not it would be worth my time, and all praised The New York Times Easy Crossword Puzzles Volume 4: 50 Solvable Puzzles from the Pages of The New York Times:

0 of 0 people found the following review helpful. Fun and (Almost) EasyBy Allen MooreMy wife and I love working these "easy" crosswords from the New York Times. Together, we can finish one in a couple of days. Most of the answers really are easy, and we can make satisfying progress through about half of one. But there's inevitably some answers that require research, or are really "clever" in that why-didn't-we-think-of-that-sooner crossword way. I also like the stays-open spiral binding.1 of 1 people found the following review helpful. Misery, plain and simple--a LOT

of wrong answers that make proper completion impossible
By Alex Problems: 1. Cheap pulp paper 2. Unpleasant format 3. Simply wrong answers (i.e., an onion doesn't garnish a martini!), A LOT 4. Every puzzle has pretty much the same clues 5. Every puzzle has information Americans (non-Brits) are very unlikely to know (obscure English nobles, etc.), including British spelling
I am not a stupid person. I am familiar with the editor's style. I have done billions of puzzles. But this particular crop of writers is awful.
2 of 2 people found the following review helpful. Maybe a little too easy
By Richard Neuman Bought this for a friend who thought the NY Times crossword puzzles were "too hard". I worked through some of them and found that I didn't have to work hard to complete them as I have with other NY Times cross word puzzles. I like to work harder to solve them so this I found a little too easy, but my friend found them just right.

Fifty of the Times's Monday crosswords, their easiest of the week! Not only fun, but completely solvable by puzzlers of all skill levels, from beginner to expert.

About the Author Will Shortz has been the crossword puzzle editor of The New York Times since 1993. He is also the puzzlemaster on NPR's Weekend Edition Sunday and is founder and director of the annual American Crossword Puzzle Tournament. He has edited countless books of crossword puzzles, Sudoku, KenKen, and all manner of brain-busters.
