Deja-Vu By The Poor-man's Mary Poppins My major complaint with this book is that 24 of the 75 puzzles also appear in Surrender to Sundays Crosswords, which I had just finished when I bought this one. It looks like is even suggesting that these two titles be bought together-- definitely not a good combination! Other than the overlap, the puzzles are as expected, and I like the cover design. 0 of 0 people found the following review helpful. Surf The Grid By P Magnum The New York Times Sunday in the Surf Crosswords: 75 Puzzles from the Pages of The New York Times is a great collection for those whose like to do the Times' Sunday puzzles. The puzzles present a real challenge that will definitely frustrate you along the way. 0 of 0 people found the following review helpful. A solid new buffet from the Sunday Times By Lisa Brandt I have to admit that Sunday New York Times Crossword puzzles make me crazy (although nowhere near as much as London Times puzzles!). The punning and carefully misleading clues (e.g.: Master of the double take = Noah) often cause me to hiss at my cats and complain to my husband. Nevertheless, I am addicted to the pain caused by this form of "entertainment" and keep working at it, probably with good results for my ability to keep my ancient brain cells working. Seriously speaking, here is what anyone looking at this book should know: If you are familiar with the style of Sunday New York Times puzzles, and like it, just buy this one, it's a good one. If you aren't, know that these are quite hard puzzles, full of tricks and puns, and with some clues that will leave you gasping once you finally figure out what they meant. If you like that sort of thing, have at it -- you'll enjoy! If you think you might, try this one, you might enjoy your suffering as I do.
