Biggest complaint....this book is so small (5x7) that the printed puzzles are so little you have trouble using a regular pen. The puzzles are not even the same size they are in a

newspaper. I will not order another one until I have the book dimensions.0 of 0 people found the following review helpful. Great puzzles, small formatBy CamvanI like the puzzles and they are clearly labelled with the level of each puzzle, easy to hard. The size of the book is quite small so the size of the puzzles is much smaller than other New York Times puzzle books I've had. This makes it rather hard to write in the boxes.
