purchaser of crossword puzzle books the decision to buy is based on the rating of the degree of difficulty. Thus, a book rated "Light and Easy" should be so. I personally work puzzles over morning coffee to get my mind going and at that time of day am not looking for a challenge. This book is NOT easy. The answer words certainly are not part of my working vocabulary and the clues are even more obscure. So if you are looking for "Light and Easy" puzzles for simple amusement, do not buy this book. 0 of 0 people found the following review helpful. Fun Crosswords By Nicky7Love, love, love these puzzles. I find them to be somewhat challenging but definitely doable. 0 of 0 people found the following review helpful. I don't like that. By Christi Adams Too small and the puzzles take up two pages. I don't like that.
