RemingtonI bought a BUNCH of these large print New York Times Crossword books for my Mom including this one. She was ardent about solving them and felt they helped her in maintaining her mental powers. I would have to agree on that. The large print really IS large and seemed too big to me at first but they were easier for her to savor and work on at her own pace. They also have puzzles you can subscribe to and receive through the mail. I was surprized and delighted during a visit to see that she and a friend worked on them together. They're a terrific resource for an aging parent and well worth the price for the stimulation !!
