The puzzles were largely solvable, but I had to really massage connecting words to get some answers. And I had several puzzles where I flubbed a couple of

solutions anyway. I have a very good vocabulary and am reasonably well read, so I'm surprised that I did have to work at these a bit. I have never really done crosswords before, and I got this because I wanted to ease in and learn the tricks. This was good for that. Another aspect I am appreciating now that I have moved on to Tuesdays: this one does not rely so much on knowledge of recent pop culture and sports figures (things I will just never solve unless I can get all connectors, and even then, I still might not know). Finally, I needed something for my brain to focus on but which did not create a lot of frustration and anxiety, and this fit that bill very well. 0 of 0 people found the following review helpful.
