A fun pace that involves thinking without being overwhelmed.By SeriouslyThis is a great collection of Monday crosswords. If you like to do the NYT crosswords and are like me (just not amazing enough to do the Sunday Puzzles)

These Monday puzzles are super fun. You can solve many of them without looking anything up which is how I like to do my crosswords and yet they are often tricky enough to make you do some thinking. The size of the book is perfect for me all the boxes are nice and large and there is plenty of space. Definitely not a travel book though. If you are not a master of crosswords this book also has a lot of puzzles that are easy enough that you can learn some of the tricks puzzlers put into their work. Hopefully by the end you will be ready for Tuesdays.

I bought it for my mother for Christmas and she has been enjoying it immensely - and wants to order the "More Monday Crossword Puzzle" book so she can get more of the same types of puzzles. She loves the lower level of difficulty (without being TOO easy), the larger size of the book and the easy-to-write-on pages. I am so glad I bought this book for her. We will be ordering the "More" book soon as well. This puzzle book is also a great value because there are a lot of puzzles in the book, making the price more than fair.
