everything in between, edited by the famous Will Shortz, the Sudoku God! This nice large book stays flat so you can DO the puzzle without fighting with the pages, which is an awfully nice thing to have going for you! 0 of 0 people found the following review helpful. Okay, but I would buy something else next time. By Polyesterpassion I was a bit disappointed when I received this book... All of the puzzles were from 2000. The paper is not substantial and the ink from one page made it nearly impossible to complete the puzzle on the opposite side. On the plus side, it was relatively inexpensive and has a ton of puzzles. Meh. 0 of 0 people found the following review helpful. The easy ones were fun. By Carolyn L. Dalton The easy ones were fun. The three star very difficult, but I learned a lot. Even looking up answers helped broaden my knowledge in different areas.
