It didn't frustrate me and I did like that it was a smaller size so I could take it with me when I had places to go. (If you have trouble reading or filling in a smaller size block, this might not be the book for you). I would otherwise recommend this puzzle book to the person who does them to have fun and to relax.0 of 0 people found the following review helpful. Over priced ripoffBy fredPhoto offset with many pages upside down -- I do not recommend this slim,overpriced crossword puzzle book.
