We are at present working on this book. There are six levels, Monday through Saturday. It's nice to be able to pick one of the levels that you are in the mood for. Good puzzles, interesting clues. The grids and type are a little small; I would prefer that they be printed a little larger. That said, it's a nice size book for carrying in your purse or beach bag.

It's a handy portable size (6.5" x 9"), and the easy-to-hard format is great...however, be aware that many of these puzzles are from the 2008-9 or so - the clues include references to MS-DOS, etc., other rather obsolete terms in today's world (2017). For this reason I can only give it 3 stars.
