The New York Times : The New York Times Simply Sneaky Crosswords: 150 Easy to Hard Puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised The New York Times Simply Sneaky Crosswords: 150 Easy to Hard Puzzles:

0 of 0 people found the following review helpful. The Title is CorrectBy G. GuthThe title is right, the clues are absolutely sneaky. I sometimes wonder if its harder to create the physical puzzle with all its words, or in coming up with devilishly fiendish clues.0 of 0 people found the following review helpful. Five StarsBy Marjorie LebensMy

spouse and I both LOVE crossword puzzles edited by Will Shortz!!!!!!!!!!!!!!4 of 4 people found the following review helpful. Simply SplendidBy takingadayoffThis collection of crosswords is perfect, not at all sneaky. I've become rather picky about crosswords over the years, maybe because there are so many choices. This small format book, about 6 by 9 inches, is the only size I buy anymore. It's small enough to take anywhere, but big enough to write in easily. There are 150 puzzles, double the usual amount. They range from easy to difficult, Monday to Saturday and are all labeled. There are 20 puzzles each of Monday, Tuesday, Wednesday, and 30 puzzles each of Thursday, Friday, and Saturday. This is the first time I've seen an easy to hard collection weighted toward the difficult and I like it. It's nice to have some easy puzzles to break up the tough ones, but the tough ones are really the most fun. I can't tell the difference between Monday and Tuesday puzzles, they seem about the same level to me, pretty easy. Wednesday is easy but a little more interesting, and Thursday is getting more difficult, but almost always doable. Friday and Saturday seem to be the same level of difficulty, very hard. And Sunday (there are no Sunday puzzles in this collection) is about like Thursday in difficulty, but about twice as big. Good collection!

This last book in the series (following Simply Soothing Crosswords and Simply Satisfying Crosswords) provides solvers of all skill levels a chance to take on some of the New York Times' best crosswords.*150 easy to hard Times crosswords* Fun for solvers of all skill levels * Edited by Will Shortz

About the AuthorWill Shortz has been the crossword puzzle editor of The New York Times since 1993. He is also the puzzlemaster on NPR's Weekend Edition Sunday and is founder and director of the annual American Crossword Puzzle Tournament. He has edited countless books of crossword puzzles, Sudoku, KenKen, and all manner of brain-busters.
