I spent time reading reviews but somehow missed the part that you need to have visual super powers to be able to read the tiny print in this crossword puzzle book. Seriously, purchase a magnifying

glass to go along with this if you plan on actually working the puzzles. Estimate that the font size is 7 or 8 at best. Definitely not user-friendly as a gift for a parent in his/her late 60s or older.0 of 0 people found the following review helpful. Challenging my friendBy M.
