Imagine my pleasure (sarcasm here) when I discovered FORTY-THREE of the puzzles were in both books. Yes, 43. I don't mind a little overlap, but 43? That means 57% of the puzzles published in this book had also been published in another book, without any indication of this in either book. Were I to buy another Sunday collection, I would probably find the other 43%. Don't think I will be doing that.7 of 7 people found the following review helpful. I noticed many of the puzzles in the book I ...By Suzanne SousanI noticed many of the puzzles in the book I had already done from a previous crossword puzzle book edited by Will Shortz. I wish I had kept the old crossword puzzle to be able to share the title of that book. I guess one needs to keep titles and publishing date on hand to avoid re-ordering puzzles one has already done, albeit in a differently title book.2 of 2 people found the following review helpful. A good, difficult selection of puzzlesBy Sonia RothschildThese puzzles are among the hardest I have come across in the NYT Sunday puzzle series. They require, at least for me, more than Sunday to complete, and even then I often cannot quite finish them -- without peeking. They contain lots of pop culture clues, and I simply am not up on pop culture. The puzzles continue to be good -- I seldom have found a typo. So, if you are younger than I, and/or know about what is happening in the world of pop music and movies, you will probably not find these as hard as I do. I still enjoyed solving them. I would rather have them a bit too hard than a bit too easy.

Since it first ran in 1942, The New York Times Sunday crossword puzzles are the standard by which all others are judged, and they are the perfect complement to a snowy day.Features:* 75 classic Sunday New York Times crosswords* Portable and perfect for solving on the go* Edited by the #1 man in American crosswords, Will Shortz
