**The New York Times : The New York Times Southpaw Solvers: 100 Easy to Hard Crossword Puzzles for Lefties** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New York Times Southpaw Solvers: 100 Easy to Hard Crossword Puzzles for Lefties:

Life can be tough for left-handed solvers: you love crosswords, but hate smearing ink when you get to those pesky puzzles printed on the right-hand side of the book. Well, this book solves that problem: these puzzles are only printed on the left-hand side of the page! How is that possible? Because all the right-side puzzles are printed upside-down, so the southpaw solver can flip the book over and solve them...on the right side of the page!Every puzzle inside is edited

by puzzlemaster Will Shortz himself, and includes the fresh, fun clues the New York Times is famous for.

About the Author WILL SHORTZ, puzzle editor of The New York Times since 1993, founded and directs the annual American Crossword Puzzle Tournament and the World Puzzle Championship. He is the Puzzlemaster for NPR's Weekend Edition Sunday. Shortz lives in Pleasantville, New York.
