Fun little bookBy KL MackayThis book is small enough to carry around in my medium purse. I love having something to do if I am eating along, am waiting in a doctor's lounge, or destressing for nite nite. The puzzles are relatively simple and if you check the answers you do not know, very soon you will be completing the book with enjoyment. I have purchase several other puzzle books of this type and have enjoyed them all.2 of 2 people found the following review helpful.
