From Weng, Will (EDT) : The New York Times Sunday Crossword Omnibus, Volume 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised The New York Times Sunday Crossword Omnibus, Volume 2:

3 of 3 people found the following review helpful. What Fun!By IBikeNYCI was drawn to this because of the great price, but I got the bonus of puzzles I knew for sure I hadn't done, as the book's from 1989.I was very curious about what would constitute a "used" crossword-puzzle book. The only evidence I've found of that is the five or six (of 200) puzzles that were started, all by what seems to be the same person, all in ink. Each of them has no more than a dozen or so squares filled in. (Was it a man or a woman? What happened to them? How did the book end up at the used-book vendor?)These are witty and challenging as only The Sunday Times puzzles can be. They are also a reminder of how much cultural references have changed in a short time.0 of 0 people found the following review helpful. Five StarsBy

CindyI love these. The new ones are way too hard for me0 of 0 people found the following review helpful. Five StarsBy Paul S. MelanconThese crossword omnibuses are great. I have completed 12 of them

Edited by Will Weng, the book features two hundred Sunday-size crosswords from The New York Times magazine.

From the Inside FlapEdited by Will Weng, the book features two hundred Sunday-size crosswords from The New York Times magazine.About the AuthorWill Weng was the crossword puzzle editor of the New York Times from 1969 to 1977.Eugene T. Maleska, the third crossword puzzle editor of the New York Times, held the position from 1977 to 1993. Many a New York Times puzzle solver had his or her vocabulary expanded during the Maleska years, and his legions of fans still appreciate his legacy.
