I have found a few that didn't make any sense to me but as long as I ignored the circled squares and didn't try to figure out why they were circled the puzzle was okay. I like the fifty puzzle size book as it is easier to work with than the larger books. I have been working the NYT Sunday Crosswords for several years and will

continue as long as continue printing them.0 of 0 people found the following review helpful. Five StarsBy william l. moorei'm puzzled0 of 0 people found the following review helpful. Five StarsBy Nancy H. WhatleyHappy to receive my favorite puzzle collections.
