I have found a few that didn't make any sense to me but as long as I ignored the circled squares and didn't try to figure out why they were circled the puzzle was okay. I like the fifty puzzle size book as it is easier to work with than the larger books. I have been working the NYT Sunday Crosswords for several years and will

continue as long as continue printing them.0 of 0 people found the following review helpful. Two StarsBy Melinda B Minerthis is a copy machine put in a cheap binder type set up, very few... disappointing.2 of 2 people found the following review helpful. Print way too smallBy '92 SportsterI'm an old guy and my eyes aren't great, but I have bought many crossword puzzle books (NY Times) I can read without a magnifying glass. Those were bought in brick and mortar stores where I could see it before purchase. With this one, I need a magnifier and bright light - had I seen it before purchase I wouldn't have bothered.
