0 of 0 people found the following review helpful. Fits the bill for meBy S. WardThis is a set of puzzles that are

enjoyable because of the ways they are difficult to solve. The clues are clever and obscure, the solutions are mainstream, not frustrating rarities of language. Truly satisfying to work through and to enjoy the AHA! feeling upon grinding out the solutions. Not 5 stars because it is a somewhat small format and the print quality is not the best. Still worth the purchase for a serious crossword buff.
