The New York Times : The New York Times Weekends with Will: A Year of Saturday and Sunday New York Times Crosswords before purchasing it in order to gauge whether or not it would be worth my time, and all praised The New York Times Weekends with Will: A Year of Saturday and Sunday New York Times Crosswords:

4 of 4 people found the following review helpful. Weekends with WillBy toneyleeActually, I wish I could give this puzzle compilation 2 different reviews. The puzzles themselves deserve 5 stars. They are hard, especially the Saturday ones, and take some real thought to complete. I always enjoy NYT crosswords that are not in the easy/medium category, and this group does not disappoint. For the arithmetically challenged, a year of Sat. and Sun. puzzles adds up to 105, so you don't run through this book too fast.If I could, I'd give the organization of this book only 3 stars. Each Sunday puzzle is laid out with the grid on the right-hand page and the clues on the left and running over to the bottom of the right-hand page.. This means you cannot tear out pages in order to do each puzzle. I don't know about right-handed people, but for a left-handed person like me, it is a pain in the neck. The book is small, so perhaps the publishers saw this layout as a way to maintain comfortable, easy-to-read print size. But I was irritated with the setup each time I struggled to fill in letters close to the binding. I'd rather pay more and have a book in which I could conveniently tear out each puzzle as I go along.0 of 0 people found the following review helpful. A ChallengeBy Michael J. MiccicheA great collection of some of the toughest puzzles from the New York Times. If you like challenges these puzzles will provide plenty of opportunities to think!!1 of 1 people found the following review helpful. Five StarsBy Scuba SlimGreat puzzles for those that like a challenge
