Timothy E. Parker : The Official Book of Kakuro: Book 1: 150 Puzzles -- Easy, Medium, and Hard before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Official Book of Kakuro: Book 1: 150 Puzzles -- Easy, Medium, and Hard:

0 of 0 people found the following review helpful. Good for kakuro fans
By Kymberly Parker
As I enjoy kakuro, I really like the book. I only gave it 4 stars, as I find it hard to remove just one page, when I want to carry just one page, to the school where I am working that day. Beyond that one complaint, it is a good: it is clearly printed: the instructions and helps are well written and: the progress of the puzzles is consistent and well done. Enjoy!
2 of 2 people found the following review helpful. This is my absolute favorite math puzzle.
By Grandmother in Naples
Like this book a lot but would prefer bigger puzzles on each page. Having three levels gives you an idea of how long it will take to do a puzzle. Will buy book 2 when I have finished this one.

Can't read the numbers black with white letters that are too small.

Sharpen your pencils and your wits
theres a new puzzle in town. Millions of Sudoku fans around the world are discovering a brand new addiction: the brain-buster Kakuro. Combining the appeal of a crossword with the addictive properties of Sudoku, its the latest puzzle craze to come from Japan. Kakuro is more challenging, more compulsive, and more fun than anything youve played before. Includes: 50 Easy, 50 Medium, and 50 Hard puzzles Rules, Tips and Strategies A "unique sum chart" that is the key to unlocking the logic of Kakuro

Sudoku was great - Kakuro is better. -- Guardian, UK
About the Author
Timothy Eric Parker is the world's most syndicated crossword compiler according to the Guinness Book of World Records. In 1996, Parker's dual interests in computers and crosswords converged and he developed an interactive crossword that became the Web's first syndicated crossword puzzle. In 1999, Parker formed Master Puzzles, Inc., bringing together the talents of over sixty of the world's top puzzle masters into one well-managed organization.
